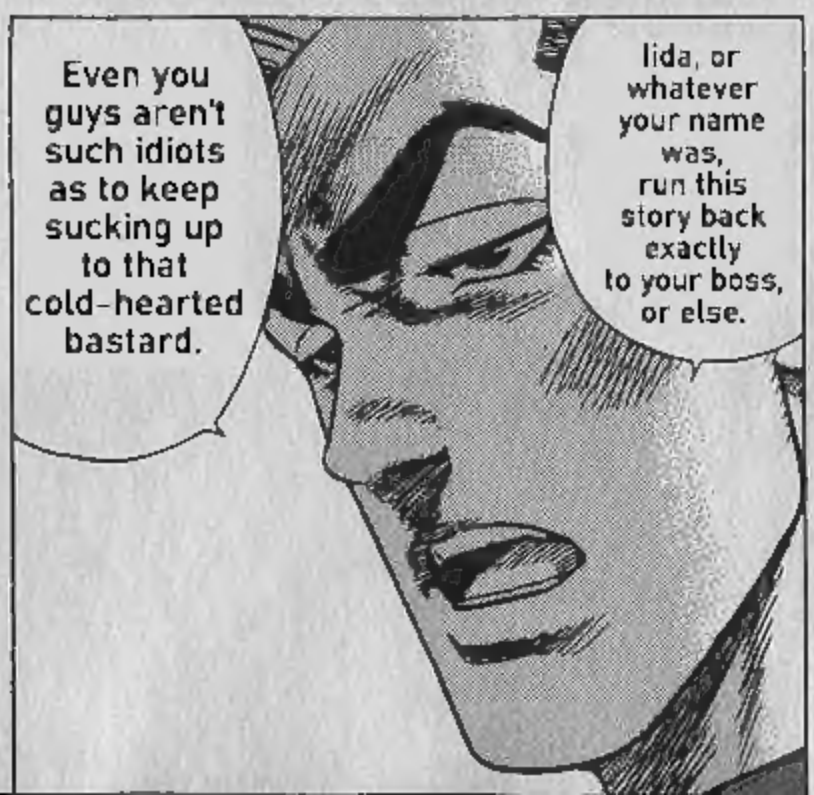
C-central park...? I know it, s-so what?
It's the place where one of your guys gave our guys a beating.

You know central park, right?

Kawa shima better come.
We'll settle the difference at the same place.

It's fine, Nishi jima.
That guy'll run.



Even you guys aren't such idiots as to keep sucking up to that cold-hearted bastard.
Iida, or whatever your name was, run this story back exactly to your boss, or else.

This time we'll take your place.
Oi- didn't you say earlier that was no good?
It's fine.
Any more and we'll cause a disturbance. All of you will return home.

……
You think about how much you're worth, and summon him.

IKEBUKURO STATION

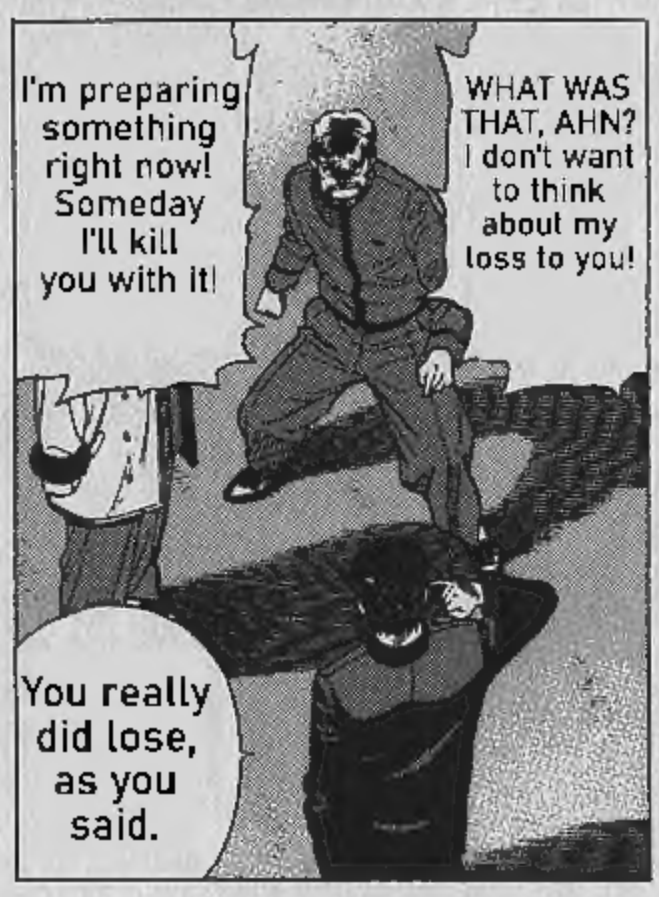
Oof.

It's not like I begged you to come out here.
If you don't like it, then go home.

You were mumbling some bullshit about your rib throbbing, so I gave you some fighting spirit.
What'd you do that for?
Maeda!

Fu-
You say that, and came to Kichijoji.
Do you understand that!?
You're different from us, you beat Kasai. But you went down to Ikebukuro and were just nauseating.



I'm preparing something right now! Someday I'll kill you with it!
WHAT WAS THAT, AHN? I don't want to think about my loss to you!
You really did lose, as you said.

.....
WHAT?!

Kakaka... I don't want to hear it, Mr. 'Best One'.
You made me out to be a wet rag.

Kichijoji and Ikebukuro are different.
I thought you'd accept our help... but it's become such that you can't help but accept our help... Unless you want to accept a defeat, that is.

Yaku shiji.
We don't have that kind of time.
You...!

Even I don't have good memories here.
I'll tell you that.

.....

Stop chirping away.
I'll get you sometime, but this place is uncomfortable.

This time it's you, huh?
.....

ホテルマーベラス池袋

If that's what he said, then he didn't practice.
Is that so?

I-I'm supposed to head out with our boss.... is what he said, I think...
T... The other party is alone...

TOSHIMA IS A WARD IN TOKYO

It's revenge right now, huh?
Shaddup!!!
We can't stop him, Maeda.
Onizuka

Ka...
Kasai..

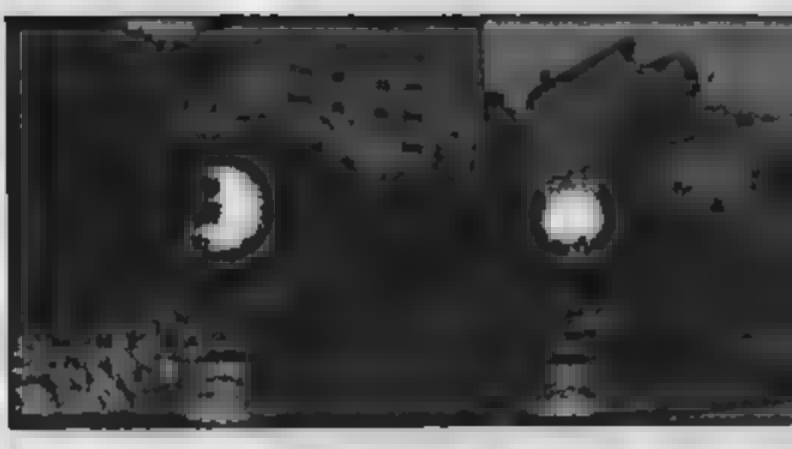
W-what?
A guy
from
Kyokutou?
Y...
you...

Hm.
We could see around here the signs of a fight.
.....



Ho-
I didn't know something like that was...

That bast-ard...
He's fallen low.

.....

Shit...

Ah?

Because of your naive ideals.
Kasai! You shithead, if this guy did your guys in, why'd you make the mistake of not doing him in?

Fu-

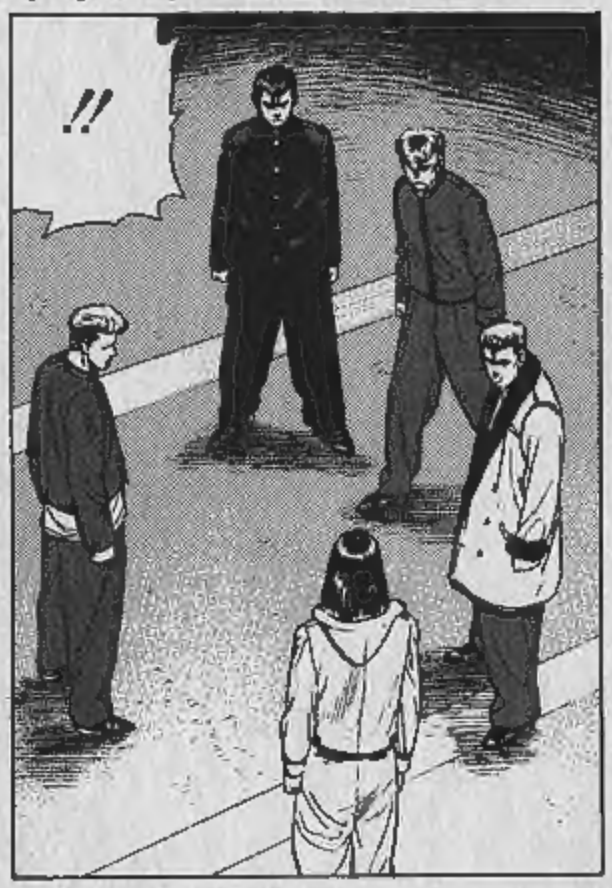
Hold on there.
You!
.....

.....

Pe!

If I don't rip Kawashima apart, I won't be satisfied.
Whoever did it and whoever called for it have no relation. I wouldn't even dare think my friends are shit. That bastard...

Ka sai...
You...



!!

Ah?
There isn't anyone particularly after you.

Everyone's going to kill Maeda.
Tomorrow morning, Kawashima is going to Kichijoji...

Maeda Taison is right here.

Ho?
Then run this along.
